

THE PATHWAY TO COLLEGE

Believe it or not, your 8th grade year is the time to start thinking about college. What do you want to study? What will it take to get there? The time to start planning for your future is NOW!

8th Grade

Learn about the Hathaway Scholarship Program & other scholarships, too!

Learn about the Success Curriculum: what do I need take in high school for each level of scholarship?

Ask your counselor if you are taking any courses now that may count toward high school graduation and/or the Success Curriculum?

9th Grade (Freshman)

Do you know what your high school's graduation requirements are? How many years of English, Math, Science, Social Studies, Health/P.E., and/or Foreign Language classes do you need to take? How do your high school's graduation requirements compare to the Hathaway Success Curriculum requirements? REMEMBER: Each level of scholarship has different Success Curriculum requirements! Check with your counselor every year to make sure you stay on track!

10th Grade (Sophomore)

Plan for the rest of high school: what will you need to take in 10th, 11th, & 12th grade to be eligible for the scholarship you want?

Are you taking the right classes for the level/type of scholarship you want? Ask your counselor how your GPA is calculated.

Do you know what degree you will need for the job/career you want? How much college will you have to attend?

Are you still on track for the level/type of scholarship you want? How's your GPA? Are you in the right classes?

Do you know what the ACT/WorkKeys test is? You'll take that next year. Make sure you know what score you will need.

Plan for the rest of high school: what will you need to take in 11th, & 12th grade to be eligible for the scholarship you want?

11th Grade (Junior)

Do you know how much it will cost to go to college? Do you know how many semesters of college you will need for your degree? The Hathaway Scholarship will pay between \$800 and \$1,600 per semester toward your tuition. Remember, the more education you receive, the more money you'll make! YOU control your future!!

12th Grade (Senior)

Monitor your progress: are you still on track? What do you need to do your senior year to get the scholarship you want?

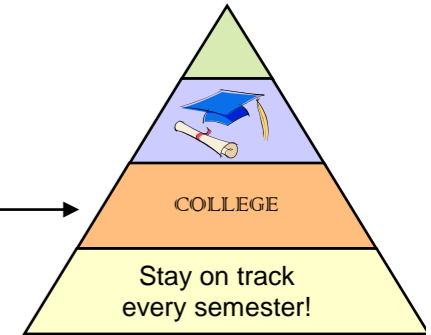

Choose your test: ACT or WorkKeys. Do you know what score you need for the scholarship you want?

Have you thought about which college you would like to attend? Do you know how many semesters each scholarship will pay for?

Are you aware of college and scholarship application deadlines?

Do you need to retake the ACT or WorkKeys test for a better score?

Do you have enough credits to graduate? Is your GPA where it should be?

Once you're in college, it's up to you to maintain a good GPA and to stay eligible for your Hathaway Scholarship. Meet with your academic advisor often to make sure you are on the path to college graduation.
