Dr. Jim McBride, Superintendent of Public Instruction
Hathaway Building, 2nd Floor, 2300 Capitol Avenue
Cheyenne, WY 82002-0050

Phone 307-777-7673 Fax 307-777-6234 Website www.k12.wy.us

MEMORANDUM NO. 2007- 118

TO: School District Superintendents

FROM: Shadd Schutte, WISE Project Manager^{SAS}
Technology, Careers & Data Unit

DATE: June 22, 2007

SUBJECT: Wyoming Integrated Statewide Education (WISE) Data
System Project's Wyoming Transcript Center (WTC) WISER
ID

IMPORTANT INFORMATION

The Wyoming Department of Education (WDE), in developing the Wyoming Transcript center and in compliance with statutory requirements of the Hathaway Scholarship Program, would like to remind all Districts that when sending any high school transcripts to Wyoming post-secondary institutions, either electronically through the WTC or via the mail service, the transcripts must include the students' WISER IDs clearly marked as such.

The WISER ID, a state assigned unique student identifier, originated for use in the K-12 environment and will now also be tracked and reported by Wyoming post-secondary institutions to assist in ongoing eligibility determinations and to enable the development of statutorily mandated reports, including longitudinal analysis of students' high school and post-secondary education in Wyoming.

If you have any questions or comments, please contact Shadd Schutte at sschut@educ.state.wy.us or 307-777-3656.
