MEMORANDUM NO. 2009-123

TO: School District Superintendents and
School Principals

FROM: Bruce Hayes, Ed.S. 
Facilities and School Safety Consultant

DATE: August 28, 2009

SUBJECT: School Safety Anonymous Tip Line (WeTip)

ACTION NEEDED

WeTip, Wyoming's tool that allows staff and students to anonymously report of crimes, danger, and risk, is up and ready for another school year. WeTip posters, brochures, and a district contact sheet should arrive during the last week in August.

It is very important that the following simple steps are done:

1. Superintendents need to ensure that school principals get WeTip brochures and posters.
2. Principals need ensure that all staff and students know of the **1-800-78-CRIME** *anonymous* tip line and encourage them to use this resource. Posters and brochures should be displayed in easy-to-see locations.
3. Lastly, if there are changes from last year, update your contact sheet data and fax it to the number on the top of the sheet. That number is **909-987-2477**. This form updates WeTip regarding who to contact if they receive a tip from a school in your district.

If you have any questions, please contact me at 307-777-6198 or bhayes1@educ.state.wy.us.

Thank you for supporting the Wyoming School Safety Anonymous Tip Line.
