FROM: Bruce Hayes
Facilities and School Safety Consultant

DATE: January 8, 2010

SUBJECT: Webinar Training Available

PROFESSIONAL DEVELOPMENT OPPORTUNITIES

A Healthy and Safe Schools Webinar instruction series is available to teachers and administrators statewide.

The topics are School Chemical Cleanout, Green Cleaning and School Renovation, Bullying and Restorative practice, First Aid, Integrated Pest Management, and Waste Reduction/Recycling. The series occurs on six consecutive Wednesdays from January 13 to February 17, 3:30 to 5:00. Please see the enclosed flyer.

Applicable staff can attend one or all of them, but a one-half continuing education credit is available through the PTSB when five of the six presentations are attended. We hope that districts will find this useful in the pursuit of healthy and safe schools.

If you have any questions, please contact me at bhayes1@educ.state.wy.us or call 307-777-6198.

Thank you for your work to help keep kids safe.
