MEMORANDUM NO. 2010-154

TO: School District Superintendents
School Principals

FROM: Bruce Hayes, Ed.S. 
School Safety Consultant
Health, Safety and Nutrition Division

DATE: September 3, 2010

SUBJECT: School Safety Anonymous Tip Line (WeTip)

ACTION NEEDED

WeTip, the service that allows staff and students to anonymously report crimes, danger, and risk, is up and ready for another school year. New WeTip posters, brochures, and a district contact sheet should arrive at district offices in early September, 2010.

It is very important that the following simple steps are taken:

1. **Superintendents** need to ensure that school principals get WeTip brochures and posters. If there are changes regarding who you want to receive possible tips, please update your contact sheet data and fax it to the number on the top of the sheet, which is 909-987-2477.
2. **Principals** need to ensure that all staff and students know of the **1-800-78-CRIME** anonymous tip line and encourage them to use this resource. Posters and brochures should be displayed in easy-to-see locations.

If you have any questions at all, please contact me at 307-777-6198 or bhayes1@educ.state.wy.us.

Thank you for supporting the Wyoming School Safety Anonymous Tip Line!
