### IMPORTANT INFORMATION

Come Preview ART!

ART (Assessment Resource Tool) Impacting Wyoming Education will provide educators with a single solution for their assessment reporting needs that is fully integrated with the Wyoming Education Fusion portal. It will provide a tool they can rely on to provide applicable information based on student assessment performance in an easy to access, easy to use, and understandable manner.

- **What is ART**
  - Advanced analysis and visualization tools for educational data
  - District, school, and class specific comparisons
  - Easy year over year comparisons
  - Secure longitudinal and reporting data storage
  - Optimal storage and reporting capabilities
  
- **How it impacts Wyoming Education**
  - Analyze, review, and compare multiple district, school, and student level data through a single tool
  - Hundreds of reports available to visualize and analyze data and drive instruction
