**TO:** School District Superintendents  
Technology Directors

**FROM:** Laurie Hernandez, Title IID Program Manager  
Innovative Connections and Support Division

**DATE:** April 1, 2011

**SUBJECT:** WDE 588 – School Technology Survey Data Collection 2010-2011 School Year

---

### IMPORTANT INFORMATION

**The Wyoming Department of Education (WDE) announces the WDE 588 – School Technology Survey data collection for the 2010-2011 school year.**

The WDE 588 is the authoritative collection of the use of technology in the schools of Wyoming. The report includes internet connectivity, hardware, professional development, and technology integration and student achievement using technology tools. The authorities that allow the WDE to collect data for the WDE 588 collection: No Child Left Behind Act (NCLB) Public Law 107-110-January 8, 2002, Part D Section 2401, and Enrolled Act No 48.

The data collection window for the WDE 588 is **April 15, 2011, through May 31, 2011**. Data collected is the same as the previous year. **If you are new to the WDE 588 collection, or would like a refresher course**, please get in touch with me at the contact information below to schedule either a one-to-one or group training session.

During the training, we'll also discuss the upcoming changes to the WDE 588 collection for school year 2011-2012. More information concerning the 2011-2012 collection will follow via e-mail or superintendent's memos.

The current WDE 588 is located on the Wyoming Department of Education's Data Collection Suite website:
