MEMORANDUM NO. 2011-107

TO: District Superintendents
District Assessment Coordinators
District Curriculum Coordinators
Principals

FROM: Cassie Lallak, Project Manager
Information Management Division

DATE: August 11, 2011

SUBJECT: Assessment Resource Tool (ART) Phase I Release

INFORMATION TO SHARE

Wyoming Department of Education's (WDE) Assessment Resource Tool (ART) is now available. This data analytic tool provides educators with a single solution for their assessment reporting needs and is fully integrated in the Wyoming Education Fusion portal. Phase I of ART offers hundreds of public reports available to visualize and analyze assessment data along with comparing multiple districts and schools.

You can access ART via the following web address:

https://fusion.edu.wyoming.gov/ART/WEB/art_report/ARTHome.aspx

WDE is providing face-to-face and WebEx training opportunities to learn about ART and see what this tool can do for you and your assessment reporting needs.
