## MEMORANDUM NO. 2012-171

**TO:** School District Superintendents  
K-12 School Principals

**FROM:** Karen Bierhaus , 21<sup>st</sup> CCLC Program Consultant  
Standards, Learning, and Accountability

**DATE:** December 3, 2012

**SUBJECT:** 21<sup>st</sup> Century Community Learning Centers-Cohort 8 Applications Available

---

### Time Sensitive

Competitive grant applications for the 21st Century Community Learning Centers Cohort 8 for after-school programming is now available. Approximately \$1.37 million will be available to support after-school programming under the 21st Century Community Learning Centers (21 CCLC) federal grant program. *Applicants are requested to submit an intent to apply no later than Monday, December 17, 2012.*

The intent to apply form and application are available on the Wyoming Department of Education website: [http://edu.wyoming.gov/Programs/safety/21st\\_century\\_cclc\\_program.aspx](http://edu.wyoming.gov/Programs/safety/21st_century_cclc_program.aspx)  
Please note the actual application will be due on January 30, 2013.

The purpose of the 21 CCLC program is to establish or expand community learning centers that provide academic and enrichment opportunities along with activities designed to complement the regular academic program of students during those times when school is not in session (before and after school, holidays, weekends or summer recess).

Centers can be located in elementary or secondary schools or other similarly accessible community facilities and provide a range of high-quality services to support student learning and development.

Those services must include academic support tutoring and academic enrichment, and may include mentoring, homework assistance, music, arts, sports, cultural activities and service learning opportunities. At the same time, centers must design programs to engage the families of 21 CLCC participants for the purpose of increasing parent/family engagement in learning and developing resiliency through positive home/school relationships.

Any public or private organization is eligible to apply for a 21 CCLC grant. Examples of agencies and organizations eligible under the 21 CCLC program include, but are not limited to: public schools/school districts, charter schools, private schools, non-profit agencies, city or county government agencies, faith-based organizations (including religious private schools), institutions of higher education, and for-profit corporations.

The statute requires eligible organizations applying for funds to collaborate with the schools that participating children attend. The statute also allows a consortium of two or more agencies, organizations or entities to apply.

Consistent with federal legislation, the Wyoming Department of Education must give priority to those applications that primarily serve students who attend schools that are eligible as Title I school wide programs, and/or 40 percent or more of the student population is eligible to receive free or reduced price lunch.

Additionally, priority will be given to projects that will serve children in schools designated as in need of improvement, and are submitted jointly by school districts receiving Title I funds and community-based organizations or public/private organizations.

Please also note that to be eligible, **all schools to be served in the application must have a student population that has a free and reduced price lunch percentage at or above 25 percent** according to the school year 2012/13 data submitted and verified by the Wyoming Department of Education to qualify for this grant. Other priorities are outlined within the grant application and project guidelines.
