# LET THE WDE RECOGNIZE YOUR TEACHER OF THE YEAR CANDIDATES

The Wyoming Department of Education would like to help schools and districts recognize their 2014 Teacher of the Year candidates. The WDE is currently producing videos celebrating the accomplishments of the many special teachers all across the Cowboy State. These videos will be given to the candidates and publicly shared on the WDE website via our YouTube channel.

The filming process is simple and nondisruptive. It involves a brief interview of the candidate, speaking with someone else in the school that can offer insight to the teaching quality of the candidate, and taking footage of the candidate doing what they do best - teaching.
