MEMORANDUM NO. 2014-071

TO: School District Superintendents
School Principals

FROM: Germaletta D. Brown, GEAR UP Outreach Coordinator
Standards & Accountability Division

DATE: May 19, 2014

SUBJECT: Quantum Learning Regional Workshop

TRAINING EVENT: QUANTUM LEARNING REGIONAL WORKSHOPS

CHEYENNE - GEAR UP Wyoming is proud to sponsor regional Quantum Learning workshops July 28-August 1, 2014, at the Gillette College Technical Education Center for 7th through 12th grade educators and administrators. Quantum Learning for Teachers (QLT) programs include research-based, time-tested, powerful strategies to have an immediate and profound impact on student achievement. Teachers learn not only the “how” of effective teaching, but the “why” behind the techniques.

Quantum Learning Schedule

July 28: Level 1: “Building the System”

What Moves Quantum Learning, History, Narrative Chain, Big Brain Ideas, Creating a Narrative Chain, The System: Classroom Foundation, Classroom Atmosphere, Lesson Design/Delivery, Physical Environment, The Success Model, The Tenets, Eight Keys of Excellence, and CASE OF Music.

July 29: Level 2: “Purposeful Design and Community”

Opening Traditions, The Brain: Path of Learning and Memory, The Amygdala, Home Court Advantage, Living Above the Line, Prime Directive, QL Lesson Design Frame, and State Facilitation.

July 30: Level 3: "Resourceful Teaching and Learning"

Mnemonics, Brain Waves, Path of Learning and Memory Part 2, Formula for Review, Theta Scan, SLANT, Teaching to all learning modalities, Principles of Powerful Communication, and a Key Talk.

July 31 – August 1: Quantum Learning Curriculum for the Classroom

- Quantum Learner: Strategies to be an Effective Learner
- Quantum Self: Strategies to Excel in Life
- Quantum Test Success: Strategies to Prepare for and Excel on Tests
- Quantum Scholar: Strategies to Excel in Reading, Writing and Math
- 8 Keys of Excellence: Providing age appropriate activities and lessons for the middle and high school student

Special 3-day Workshop for Administrators:

July 28 – 30: "Supporting Quantum Learning in Your School"

Registration Information

Registration for this event is free, however, participants are responsible for travel and hotel cost. To register, go to: <https://www.surveymonkey.com/s/PHVLBHS>

Three days of participation will be needed to earn PTSB or UW credit (pending credit approval). The workshops will run from 8:30-3:30pm. Lunch will be provided with light refreshments at break.

A block of rooms has been set up at:

The Wingate Hotel

1801 Cliff Davis Drive

Gillette, Wyoming

(307) 685-2700

Ask for the GEAR UP Wyoming room block.

If you have questions regarding the QLT workshops, please contact Chrissie Henschler at chensch@uwyo.edu or (307)766-6736.
