## MEMORANDUM NO. 2016-056

**TO:** School District Superintendents  
Curriculum Coordinators  
Special Education Directors  
Career and Technical Education Coordinators  
Computer/Technology Coordinators  
Elementary, Middle School and High School Principals and Educators

**FROM:** Brent Bacon, Chief Academic Officer

**DATE:** April 4, 2016

**SUBJECT:** Digital Learning Surveys

## SCHOOL AND DISTRICT DIGITAL LEARNING READINESS SURVEYS

The Wyoming Department of Education (WDE) and McREL International have created three surveys for school and district personnel. These surveys gather information to determine the digital learning needs of Wyoming public schools, based on input received during the Statewide Digital Learning Plan Listening Tour. The surveys should be completed by school district staff, building principals, and classroom educators.

These surveys will help the WDE understand how current practices regarding the implementation of digital learning in Wyoming are perceived by district staff. Feedback will be used to make informed decisions regarding state policy and procedures for ensuring equitable access to digital learning supports. Hearing directly from the stakeholders most impacted will ensure the needs of these groups are addressed as the WDE develops the five-year Statewide Digital Learning Plan (per [W.S. 21-2-202 \(a\)\(xx\)](#)).

The surveys, which take approximately 15 minutes to complete, will be available through **Friday, April 15, 2016**, and can be accessed at:
