MEMORANDUM NO. 2016-138

TO: School District Superintendents
Title I Coordinators
Consolidated Grant Managers
Business Managers

FROM: Brent Bacon, Chief Academic Officer

DATE: December 5, 2016

SUBJECT: New GMS Login and Access/Select Pages

GMS WEBSITE UPDATE

The Wyoming Grants Management System (GMS) will be updated with a new login page and grant navigation menu on the evening of December 7, 2016. None of the individual grant or financial pages will be changed in this process.

Training material will be provided online directly from the “Training” menu on the new login page and supplemented with email distributions from the Wyoming Department of Education. Webinar sessions will be provided ahead of December 7, 2016, and will be recorded for later viewing through the “Training” menu.

District users will now use their current educational email addresses to access the GMS. If the system does not recognize your current email address, please contact Scott Bullock at scott.bullock1@wyo.gov.

After accessing GMS, users will no longer see individual application categories listed on the main menu. A link to the new “GMS Access/Select” navigation menu will be available that provides a consolidated view of all formula and competitive grants, their prior versions, current status, grant award notifications (GANS), payments and other available actions. The GMS Access/Select page will provide immediate access to all of this information by fiscal year using a dropdown feature at the top of the page.

For more information, please contact Scott Bullock, Title I School Improvement, at 307-777-6260 or scott.bullock1@wyo.gov.
