DIGITAL LEARNING DAY 2017 ON FEBRUARY 23

The Wyoming Department of Education (WDE) invites educators, media specialists, and librarians to participate in Digital Learning Day 2017. Digital Learning Day is an opportunity to showcase and share innovative educational practices and advancements in education technology. The WDE encourages all Wyoming schools to participate, and to publicize all Digital Learning Day events through local and social media outlets using #DLDay. Additionally, the WDE invites community members to join in the efforts of their local schools.

Information about Digital Learning Day can be found at: www.digitallearningday.org, along with resources to assist schools in hosting an event. Additional resources and information are available on the WDE website and can be found at: edu.wyoming.gov/dlday.

For assistance with planning and participation in Digital Learning Day, contact Alicia Kerns at alicia.kerns@wyo.gov or 307-777-3679.
