SUBJECT: K-20 Digital Learning Conference

WYOMING INNOVATIONS IN LEARNING 2017

The Wyoming Department of Education (WDE) is announcing the inaugural Wyoming Innovations in Learning 2017 conference hosted by the WDE, the Wyoming Distance Education Consortium (WyDEC), the University of Wyoming, the Wyoming community colleges, and school libraries. The Innovations in Learning conference will provide opportunities for educators to explore teaching and learning practices applicable to classrooms and distance learning environments from kindergarten through higher education.

This is a unique professional development opportunity combining the expertise from the UW e-Volution and WyDEC conferences, and the WDE's focus on digital learning to provide peer-led presentations, discussions, and K-20 networking possibilities.

The Wyoming Innovations in Learning 2017 will be held November 2-3 in Laramie. For more information about the conference please click [here](#).
