SUBJECT: Career & Technical Education 2017-18 Service Plan Timeline

CTE 2017-18 SERVICE PLAN TIMELINE

The 2017-18 Service Plan for Career and Technical Education (CTE) is now available. It outlines the professional development opportunities, grant opportunities, technical assistance, and other services that will be facilitated by the Wyoming Department of Education (WDE).

The plan was developed by WDE CTE team, following the facilitation of Wyoming Service Implementation Matrix Process and Log (WyoSIMPL) regional meetings. During these meetings, district representatives worked through a data driven strategic planning process for CTE, and identified statewide target priorities for the 2017-18 school year.

The Service Plan timeline includes links, registration information, and resources relevant to each service that will be provided during the 2017-18 school year. The timeline, as well as other information about the WyoSIMPL process and Service Plan, can be found [here](#).

For more information, please contact Tonya Gerharter, CTE Consultant, at 307-777-6808 or tonya.gerharter@wyo.gov.
