MEMORANDUM NO. 2017-116

TO: School District Superintendents
Title I Coordinators
Title II Coordinators
Business Managers
Consolidated Grant Managers

FROM: Brent Bacon, Chief Academic Officer

DATE: October 23, 2017

SUBJECT: 2017-18 Revised Allocations

2017-18 REVISED TITLE I, PART A AND TITLE II, PART A ALLOCATIONS

The United States Department of Education (USED) has notified the Wyoming Department of Education (WDE) that the Title I, Part A and Title II, Part A allocations have been revised. These revisions reduce funds as a result of the Continuing Appropriations Act, 2018 and Supplemental Appropriations Disaster Relief Requirements Act.

The reduction in funds will be addressed through the district allocation in GMS. Districts need to submit an amendment to their Consolidated Grant application for Titles I and II through GMS so that previously budgeted amounts can be adjusted within the relevant grants.

The notification from the USED about the revised allocation is attached.
