The Wyoming Department of Education (WDE) has announced a series of informational webinars in 2018 geared toward the creation and development of computer science programs throughout Wyoming. The webinars are set for the first and third Wednesdays of each month from 2-4 p.m. and will include featured industry partners and highlights of the computer science initiatives of Wyoming school districts.

Webinars are scheduled for: January 17 and 31; February 7 and 21; March 7 and 21; April 4 and 18; May 2 and 16; and June 6.
