Persistence and Retention Rates

Cohort 1 ("Seniors")
Students who Initiated the Scholarship in 2006-07

Persistence Rates
by Institution and Scholarship Level

Statutory Reference: 21-16-1308(c)(iii)

Persistence Rate means for each cohort of students, receiving Hathaway Scholarships in a given fall or spring term, the proportion continuing to receive Hathaway Scholarships the following fall term at any eligible institution. This report shows the count and percentage of Hathaway students continuing to receive the scholarship in fall-09. It excludes students who reached 48 hours at a community college and did not continue their education at the University of Wyoming, and students who received a certificate or degree during the 2008-09 school year. A student not receiving the scholarship in fall-09 does not necessarily mean he/she did not enroll.

To protect student confidentiality, individual community college rates are not provided because of low group counts. Individual rates will be provided to stakeholders upon request.

Retention Rates by Institution and Scholarship Level

Statutory Reference: 21-16-1308(c)(i)

Retention Rate means the measure of continuous enrollment of a cohort of students from one semester to the next.

In this report, the fall enrollment counts include students who received the scholarship, as well as students who previously lost Hathaway funding and used the semester to regain eligibility. It excludes students who received a certificate or degree in the fall, and students who "used up" their 48 Hathaway hours at a community college by the end of the fall semester.

To protect student confidentiality, individual community college rates are not provided because of low group counts. Individual rates will be provided to stakeholders upon request.
