**Web Address:** [www.atsprojectsuccessworks.com](http://www.atsprojectsuccessworks.com)

### Program Description

ATS Project Success offers students help in math and reading. We supply students with computers and Internet access at no cost so they may work from the comfort and safety of their own homes. Students are monitored daily, and their parents are called once each week. We furnish parents with monthly written reports and work with schools and teachers to make sure the students' effort in our program are helping them succeed in the classroom as well.

Our teachers meet or exceed the standards set forth in the No Child Left Behind legislation. We pride ourselves on the fact that we increase a student's instructional level by one complete level in only thirty hours of instruction in Project Success.
