Program Description

Alternatives Unlimited provides in-person (live) or computer-based instruction (online) in reading or math for students grades K-12. Students who choose online are provided a computer and internet access for use in their home, and assisted online by a live tutor. Our curriculum is aligned with Wyoming State Academic Standards and each district's instructional program(s) to ensure that tutoring sessions lead to increased achievement on state testing, classroom work and grade cards. Our tutors are highly qualified.

Service Summary
