### Program Description

Club Z! , the nation's largest supplemental educational service provider, offers both one-on-one in-home or small group tutorial sessions instructed by highly qualified certified teachers, degreed professionals, and/or individuals with a minimum of 60 hours of college credit. Club Z! provides services in both reading and mathematics to all students K-12 including students with disabilities and English Language Learners. Students who complete Club Z! supplemental educational services show an average of a year's worth of growth, so start your child on the road to academic success by joining the Club Z! club today!
