<b>District Comments:</b>
In 2012-2013, we will no longer have ninth graders at any of the junior highs. Therefore, we will not need Pre-Algebra for 9th graders at those schools.
We are adding a fourth year math course called Mathematical Decision Making to start in 2012-2013 at the high schools. This course will take the place of our current Discrete Math Course.
Algebra 1A will have a name change to Algebra Concepts 1; Algebra 1B will change to Algebra Concepts 2.
