

Science Standards Review Committee Agenda
 Friday, November 13—Sunday, November 15, 2015
 Natrona County School District #1 Central Services Office
 970 North Glenn Road, Casper, WY 82601
Jefferson Room

Purpose: To examine and revise, as necessary, the Wyoming Science Content & Performance Standards

Desired Outcomes: Recommendation to the Wyoming State Board of Education a set of science standards for adoption, to include:

- A set of standards with rigorous content and knowledge application preparing students for the 21st century
- Standards that can be internationally benchmarked to prepare students for success in a global society and economy
- Standards aligned with college and career expectations
- Standards that will help articulate to parents, teachers, and the general public, expectations for students to be college and workforce ready
