Determining Adequate Yearly Progress (AYP) Participation Rate – All Grade Levels

- Number of enrolled students in the assessed grade is less than 40
  - No
  - Yes

- At least 95% participation in LA?
  - No
  - Yes

- At least 95% participation in LA with 2\textsuperscript{nd} examination looking at 2 or 3 yrs. of data?
  - No
  - Yes

- Does NOT meet participation requirements in LA
- Meets participation requirements in LA

- At least 95% participation in Math?
  - No
  - Yes

- At least 95% participation in Math with 2\textsuperscript{nd} examination looking at 2 or 3 yrs. of data?
  - No
  - Yes

- Does NOT meet participation requirements in Math
- Meets participation requirements in Math
Determining Adequate Yearly Progress (AYP)
Academic Achievement Measures - All Grade Levels

- **Evaluate multiple years of PAWS; Do not evaluate subgroups**
  - **Math and LA groups meet state AYP targets**
    - **Statistically lower than state target? (confidence interval)**
      - No: **Given subgroup(s) reduced % below proficient by 10%**
        - No: **Does NOT meet academic achievement requirement**
        - Yes: **Meets academic achievement requirement**
      - Yes: **Given subgroup(s) met participation requirement of 95%**
        - No: **Does NOT meet academic achievement requirement**
        - Yes: **Given subgroup(s) met additional indicator requirement**
          - No: **Apply Safe Harbor**
          - Yes: Second examination based on 2 years of data.
            - No: **Apply Safe Harbor**
            - Yes: **Meets academic achievement requirement**

- **Evaluate PAWS results on all students and subgroups with 30 or more students**

NoYes

Fewer than 6 students in the total group
Determining Adequate Yearly Progress (AYP)
Additional Indicator - Grades 3-8

** All students only. No subgroup evaluation required.

- **Yes**
  - Current % Below Basic in Reading < 15%
  - No

- **Yes**
  - Current % Below Basic in Reading lower than previous year’s %
  - No

- **Yes**
  - Current % Below Basic in Reading statistically = to previous year’s %?
  - No

- **Meets reading below basic additional indicator**
- **Does NOT meet reading below basic additional indicator**
** All students only. No subgroup evaluation required.

Determining Adequate Yearly Progress (AYP)
Additional Indicator – High School

- **Number of students in the cohort is at least 30**
  - No
  - Yes

- **Students in current and prior year cohorts is at least 30**
  - No
  - Yes

- **Graduation rate is at or above the 80% goal**
  - No
  - Yes

- **Difference between current and two prior year graduation rates is at least equal to the target**
  - No
  - Yes

**Does NOT meet graduation rate additional indicator**

**Meets graduation rate additional indicator requirements**
