WRITTEN SUMMARIES

For each domain, assess indicators by marking each as Effective Practice, Acceptable or Needs Improvement

Review statutory assurances and mark each as Yes, No or N/A

At a minimum, write summary of practices for Effective Practices and other written plan requirements that are applicable to your school (i.e. Title 1, SIG, Literacy Plan)

IMPROVEMENT PLANS

Write a single goal that details how the school can move to the next performance level in WAEA. Use the same goal for all three domains

Write interventions for teaching and learning, leadership and resource utilization that summarize the improvement approach

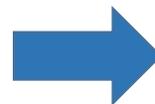

Write strategies to address any indicators that were marked as Needs Improvement, and any other strategies you wish to add

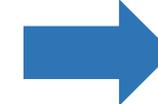

Plans may be formatted for landscape or portrait and should include school colors and school logos/graphics

PLAN SUBMISSION

Obtain signatures. (Signature on file is acceptable for posted plans)

Post plan on district or school web site
