ASSESSMENT TASK FORCE TO CONVENE IN CASPER

Cheyenne- The Wyoming Assessment Task Force will be meeting Monday, June 1st at the WCA Regional Training Center located at 2220 Bryan Stock Trial in Casper, Wyoming.

The Wyoming Assessment Task Force will have multiple meetings to study options for future statewide assessments and to make a recommendation to the Wyoming State Board of Education and legislative committees. A draft agenda for the first meeting can be found here: <http://edu.wyoming.gov/downloads/board/2015/atf-agenda-jun-15-draft.pdf>.

The task force is comprised of representatives of small and large school districts and schools from all geographic regions of the state and includes representatives from district and school administration, school district assessment and curriculum program administrators, elementary and secondary school teachers, school district board members, state higher education representatives, a member of the Wyoming business community and parents of children enrolled in Wyoming public school.

The Wyoming State Board of Education requested interested parties submit an expression of interest survey. A committee of Board members reviewed all surveys and chose the task force members, and the State Board confirmed the members of the Assessment Task Force on April 1, 2015. A list of members can be found here: <http://edu.wyoming.gov/downloads/board/2015/assessment-task-force-members.pdf>.

All Wyoming Assessment Task Force meetings are open to the public. For further information, contact Chelsie Oaks at (307) 777-6213 or by e-mail chelsie.oaks@wyo.gov.
