INTRODUCTION

Teri Wigert outlined the information being presented today. She recognized Bill Pannell for his expertise and guidance in this process. The purpose of career guidance is to help students make choices that lead to a quality of life such as financial security and occupational choices. She reviewed the career clusters with the group and asked them to be mindful of career planning and the four steps.

CAREER GUIDANCE 101

Bill Pannell reviewed the Career Guidance 101 booklet. The group completed a short exercise and shared the results. Bill then walked the group through the four steps of the career planning process.

WYOMING CAREERS WEBSITE DEMO

Bill demonstrated the careers website <http://tinyurl.com/wycareers>. It was suggested the Drop Out Prevention website include this link.

CAREER GUIDANCE DELIVERY MODELS

Teri referred the group to Tab E which contains Wyoming and National Career Guidance Delivery Models. She provided highlights of each model. She outlined the main points of the South Carolina model and mentioned it was a large document. If anyone would like a copy of the entire document, please contact Teri.

The ASCA National Model lists appropriate and inappropriate activities for school counselors.

It was suggested we invite the Guidance Counselors Association to make a presentation to the Board.
