Chapter 38 Rules
Hathaway Scholarship Program
Statement of Principal Reasons

The Hathaway Scholarship Program has revised and added new rules. In 2013, the Governor requested a reduction of state agency rules, therefore these rules have been significantly reduced from 38 pages to 18 pages. The Hathaway Scholarship Program has also seen a change in statutes and many of the program's rules have been outdated. As such, the revised rules have eliminated the redundancies of statute. In addition, the revised rules have an improved readability and comprehension for readers. In consultation with the Attorney General's Office, the Agency's Attorney General representative concurs that strike and underscore is not required as the proposed amendments are pervasive.
