ADDITIONAL MATH COURSES									
School ID	School Name	District Course Title	SCED CODE	Delivery Mode					Confirm; Add; No Longer Offered (add comments)
				Classroom	WEN	On-Line	Dual Enrollment	Other	
203055	Greybull High School	Pre-Calculus	02110R1.0011	x					Confirm
203055	Northwest College	NWC MATH 1400-College Algebra	02069E0.5011				x		Confirm
203055	Greybull High School	AP Calculus AB	21214	x					Confirm

District Comments: Pre-Calculus is taking the place of Trigonometry. The curriculums of both Pre-Calculus and Trigonometry are basically the same with more emphasis placed on higher order mathematical thinking skills and strategies preparing students for placement into College Algebra or Calculus.

Northwest College Math 1400 College Algebra is currently being offered as a semester Dual Enrollment course with current work being done to eventually offer it as a Concurrent Course.

Math Analysis course will be offered as a semester course for students upon completion of Math 1400 College Algebra. Math Analysis' curriculum is similar to Pre-Calculus with this course also readying students for the rigors of Calculus

AP Calculus will replace our regular Calculus math course.

WDE COMMENTS: They should name it AP Calculus AB and SCED code it to 02124 to match their syllabus.

District Comments:

Scientific Photograpy will be offered as an additional course offering for those students interested in science research. This is a independent study course offered for those students who have the inititive to challenge themselves regarding higher level science skills. NWC Introduction to Animal Science is a concurrent course offered at Riverside High School that Greybull High School students participate in as part of the shared Agriculture program between RHS and GHS. Aventa Peak 12 Academy is a online national academy for high school students seeking high school credit. Greybull High School currently uses this academy for credit recovery.
