

HATHAWAY SUCCESS CURRICULUM COURSE VERIFICATION

Requirements for verification of course

HSC Curriculum Directors, please provide the following when submitting a HSC course for approval:

- Course Name as it will appear on final high school transcript.
- Course Category (i.e. Physics, Chemistry, Algebra I, Geometry)
- Course Description
- SCED code and/or course description
- Delivery Mode

Content specialists may request additional information, including:

- Course Syllabus
- Proof of alignment to WY content standards
- Course assessments

Any course, even previously approved courses, may be revisited by a content specialist as deemed necessary.

A few reminders:

- The district is responsible for ensuring that courses listed at the junior high school level are in compliance with the specific success curriculum requirements as defined in statute.
- This form is a living document. Districts may change, omit or add new courses to their Success Curriculum at any time. New courses or changes to existing ones **must be verified by the WDE.**
- A course must meet **one full year of content** to qualify as a year-long course.
- Students must be counseled into courses each year to help ensure Hathaway Scholarship eligibility.
- If a district wants to use courses from an **in-state Distance Education (DE) provider** (i.e. JHCA, WeAVE, WyVA, etc.), these courses **MUST** be listed on the Wyoming Switchboard Network (WSN) in order to be approved for Hathaway use.

HATHAWAY SUCCESS CURRICULUM COURSE VERIFICATION

Requirements for verification of course

- If a district wants to use courses from an **out-of-state DE provider** (i.e. BYU, VHS, American Academy, etc.), these courses must be submitted to WDE with a course description in order to be approved for Hathaway use. Please note: a list of the WY content standards these courses align to may be requested.
- If a district wants to use courses from a **community college** (i.e. dual enrollment courses), the name of the college must be identified in order to be approved for Hathaway use. Please note: a course description and a list of WY content standards may be requested.
- If a **software program** (i.e. Rosetta Stone, Odyssey Ware, PLATO, etc.) is being used to satisfy Hathaway Success Curriculum requirements, all coursework and assessments **MUST** align to the WY content standards in order to be approved.
- **Summer school courses** can only be used for Hathaway if it is being used for credit retrieval.
