Schools which serve more grades than the "standard" elementary grades. These schools must submit alternate enrollment and free and reduced calculations with their applications. Should the new calculation change your percentage over or under the 50% line, please make sure to fill out the appropriate application.

Schools, which service pre-kindergarten on site, and participate in the National School Lunch Program. Use these provided numbers if you intend to serve pre-k along with your elementary schools. If you want to exclude your pre-kindergarten, contact Roxann Greenlee free and reduced data, which excludes the pre-k enrollment figures.
