MEMORANDUM NO. 2007 - 149

TO: School District Superintendents

FROM: Jim McBride, Ed.D. 

DATE: August 29, 2007

SUBJECT: Wyoming Legislative Request for Information on At-Risk Programs

IMPORTANT INFORMATION - PLEASE NOTE DEADLINE DATE

The Wyoming Department of Education (WDE) has been charged by the Wyoming Legislature through HB 115 & 139 to collect information from all Wyoming school districts on how at-risk program strategies funded under the block grant model are utilized. The WDE At-Risk Project Team was formed to develop a plan for the collection and to make recommendations to the State Superintendent based upon that information. The intent of the information collection is to determine how each school district in the state of Wyoming uses at-risk funds and the programs that are subsequently served, so that WDE may better serve Wyoming school districts and the Wyoming at-risk population.
