MEMORANDUM NO. 2007 - 173

TO: School District Superintendents
School District Principals

FROM: Meaghan McClellan, Prevention Consultant
Health and Safety Unit *MM*

DATE: October 19, 2007

SUBJECT: *Health Briefs* Newsletter

INFORMATION TO SHARE

The Health and Safety unit produces the newsletter *Health Briefs* to inform administrators and teachers about the nutrition, prevention, and grant activities in which we are engaged. The cost to print and mail this newsletter has become prohibitive, so in the future, it will instead be available on the Department of Education web site at www.k12.wy.us on the Health and Safety page under the Comprehensive School Health Education link. The direct link is www.k12.wy.us/HS/cshp.asp.

Please inform interested people (such as school nurses, health teachers, food service directors) that the newsletter will be available beginning this month. Thank you.
