### MEMORANDUM NO. 2008 - 160

**TO:** School District Superintendents

**FROM:** Bruce Hayes 

**DATE:** October 10, 2008

**SUBJECT:** Short Delay for the National Child ID Kits

---

#### NATIONAL CHILD ID KITS

Just to keep you in the loop, the National Child ID Kits that the department is providing to all the K-12 schools are still on their way.

Wyoming's kits have been combined with Utah's, so the size of the batch is taking longer to print and assemble than originally planned. It is anticipated that the kits will be available to the districts by the end of the month or early November at the latest.

In the meantime, some have not yet communicated their specific district-level point of contact to the department. If you have not done so, could you please convey this information to the Facilities and School Safety Consultant, Bruce Hayes, at 307-777-6198 or [bhayes1@educ.state.wy.us](mailto:bhayes1@educ.state.wy.us).

Thank you for your hard work.
