Making RTI Work at the Middle and High School Levels

Training will provide a core collection of academic and behavioral intervention ideas and progress-monitoring methods that can realistically and immediately be applied in middle and high school settings. Specific topics will include an RTI problem-solving model that addresses:

- ✓ Compartmentalized instruction, curriculum and schedules
- ✓ Intervention plans that engage students to participate in their learning
- ✓ Solutions for problem or difficult situations

April 16, 2009 8:30-4:30

Parkway Plaza Hotel

Casper, Wyoming

Jim Wright

Jim Wright is a highly-acclaimed national presenter and author on topics that cover the essentials of Response to Intervention (RTI). He is the developer of www.interventioncentral.org, a website that provides free, valuable online resources for educators. Most recently, he published ***The RTI Toolkit: A Practical Guide for Schools***, which provides school administrators, teachers and support staff with the essential techniques, resources, and guidelines to successfully implement "Response to Intervention".
