MEMORANDUM NO. 2010-061

TO: School District Superintendents
High School Principals
CTE Coordinators

FROM: Guy Jackson, Program Consultant
Innovative Connections and Support

DATE: March 26, 2010

SUBJECT: Academies/Small Learning Communities Conference

TIME SENSITIVE INFORMATION TO SHARE

Renewed interest statewide in high school academies and small learning communities has prompted the department to sponsor a professional development conference entitled **Finding Formulas for Innovation: Academies/Small Learning Communities, April 19-21, at Little America Hotel in Cheyenne for PTSB renewal credit.** The department will underwrite conference lodging and meal costs for the first 150 registered attendees. More information concerning the conference can be found on the department's website at www.k12.wy.us/CandI.asp.

Please inform your staff to organize a team of 2-3 individuals from your school or district to attend this informative professional development event. An ideal team would include a principal and two teachers from a high school. Registration for the conference must be completed at <http://www.zoomerang.com/Survey/WEB22ADRDK7SJX> by April 9, 2010.

Please contact the conference host Guy Jackson, if additional assistance is needed at gjacks@educ.state.wy.us or 307-777-3655.
