MEMORANDUM NO. 2010-109

TO: School District Superintendents
School Principals

FROM: Jim McBride, Ed.D.

DATE: May 14, 2010

SUBJECT: Wyoming Stream Team Summer 2010 Workshop

INFORMATION TO SHARE

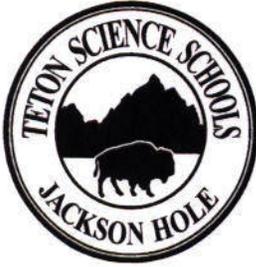

I received the attached information from the Teton Science Schools regarding the Wyoming Stream Team Summer 2010, Monitoring Workshop that will be held July 18-23, 2010. Included in the attached information is a flyer and application form.

Please share this information with your staff and encourage them to take advantage of this wonderful opportunity for our youth. The program focuses on training in water quality monitoring and stream ecology.

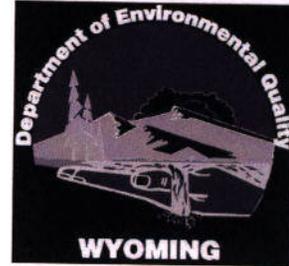

If you have questions or need additional information, please contact Leslie Cook, Teacher Learning Center Faculty, 700 Coyote Canyon Road, Jackson, WY 83001, 307-733-1313 or Leslie.Cook@tetonscience.org.

Summer 2010 Workshops

July 18-23, 2010 Kelly, WY

July 27-28, 2010 Evanston, WY

Wyoming Stream Team

These classroom and field-based courses are available to residents of Wyoming and residents of watersheds in neighboring states. The program focuses on training in water quality monitoring and stream ecology.

Participants will build the foundation to initiate monitoring projects in their home communities.

July 18-23, 2010—Kelly, WY—\$100

Based at the Kelly Campus of Teton Science Schools, workshop includes monitoring supplies, meals, lodging, and two graduate credits or CEUs. Participants will receive a full set of monitoring equipment upon completion of the workshop. Call Teton Science Schools at 307-733-1313 to register.

July 27-28, 2010—Evanston, WY—\$30 (refundable upon workshop completion)

Based at the Bear Community Center, the workshop will focus on field-based stream monitoring and delve into water-related issues specific to southwestern Wyoming. Participants are eligible for one graduate credit or CEU through the PTSB. Call Uinta County Conservation District at 307-747-8224 to register.
