Technology Directors

FROM: Lesley Wangberg, Director of State Assessment

DATE: November 12, 2010

SUBJECT: PAWS 2010 Results on PearsonAccess

IMPORTANT INFORMATION

PAWS 2010 Reports on PearsonAccess were purged on November 8, 2010, in order for PearsonAccess to create new user credentials for the PAWS 2011 administration.

The PAWS 2010 reports will again be visible in December to the following new users when they login to PearsonAccess:

- District PAWS Coordinators
- Building PAWS Coordinators
- Technology Directors

Pearson will send details on the steps to access the PAWS 2010 reports to District and Building PAWS Coordinators.

Pearson has created the ability to access PAWS 2010 results in December for the above users. As always, it is highly recommended that districts pull down and save any reports that they will want access to in future years.

Should you have any questions regarding the PAWS 2010 reports, please contact Melissa Irvine at mirvin@educ.state.wy.us or 307-721-1926.
