MEMORANDUM NO. 2011 -118

TO: School District Superintendents
School Principals

FROM: Cindy Hill

DATE: September 6, 2011

SUBJECT: NASA HUNCH Program

FOR YOUR INFORMATION – PLEASE SHARE

I received the following information from Florence Gold at NASA. Please share this information with your staff, students, parents, and any other interested parties. Thank you.

“The NASA High School Students united with NASA to Create Hardware (HUNCH) Program is seeking proposals from high schools. We are seeking schools interested in designing, fabricating, and documenting experiments proposed to fly on the Zero-G plane. NASA supplies mentors and hardware to accomplish this task. We already have East High School in Cheyenne and Campbell County High School participating in this program. You can view two videos about East High School’s participation at www.nasahunch.com on the media link click on video and then East High School videos.”

For more information and proposal forms, please go to www.nasahunch.com and/or contact Flo Gold at the email florenc.v.gold@nasa.gov or cell phone 406-690-2661.
