MEMORANDUM NO. 2011-122

TO: School District Superintendents
School Principals

FROM: Christine Steele, Deputy of Operations
Wyoming Department of Education

DATE: September 19, 2011

SUBJECT: School Improvement Plans

IMPORTANT INFORMATION ON SCHOOL IMPROVEMENT PLANS

The Wyoming Department of Education (WDE) and AdvancED are working together to facilitate the accreditation process. In a recent meeting with AdvancED, it was determined that any school could send its school improvement plan to the AdvancED office so that the AdvancED team could put it into the ASSIST software. Doing so may eliminate the amount of time it takes a school to input the information.
