MEMORANDUM NO. 2011-129

TO: School District Superintendents
School District Computer/Technology Coordinators
School Principals

FROM: Chuck Mitchell, School Resources Team Supervisor
Support Systems and Resources Division

DATE: October 10, 2011

SUBJECT: Available Google SketchUp Pro Licenses

IMPORTANT INFORMATION TO SHARE

The Wyoming Department of Education (WDE) has procured licenses for Google SketchUp Pro at the request of several Wyoming districts and schools. *Google SketchUp Pro is 3D modeling software for professionals. SketchUp is easy and intuitive, allowing anyone to model in 3D quickly and accurately. Using 3D models, designers can make more informed decisions, communicate project details, and share ideas with colleagues and customers to reach a common goal.*

Visit the following link for more information: <http://sketchup.google.com/product/gsup.html> .

There is possible potential for Google to provide training regarding Google SketchUp Pro.

If you are interested in obtaining a license, or interested in the training opportunity for SketchUp Pro, please contact uwucp@k1co.u@y {q} qx. Licenses are available through 2014.

Please contact me at chuck.mitchell@wyo.gov or 307-777-6220, if you have questions or concerns.
