MEMORANDUM NO. 2012-021

TO: School District Superintendents
Title I 1003g Grant Schools

FROM: David Holbrook, Division Director
Federal Program Division

DATE: February 6, 2012

SUBJECT: FY10 Waiver for Extension of Funds to 2014

IMPORTANT: TIME SENSITIVE INFORMATION

The Wyoming Department of Education (WDE) will be writing to the U.S. Department of Education on behalf of the WDE and local educational agencies (LEAs) in Wyoming that receive funds under Title I, Part A 1003(g) of the Elementary and Secondary Education Act of 1965 (ESEA), to request a waiver to extend the FY10 funding received by Wyoming under this section. Wyoming is requesting this funding be extended from its original expiration date of September 30, 2012 to an expiration date of September 30, 2014.

Wyoming is requesting this waiver because it combined the FY10 funding it received with the FY09 and American Recovery & Reinvestment Act (ARRA) funds that Wyoming was required to carryover from the awards made to the first cohort of schools that received the 1003(g) School Improvement Grant. These three funding sources combined were awarded to a second cohort of schools for a three year grant cycle similar to the first cohort of schools. A waiver to extend the FY09 and ARRA funds until September 30, 2014, was applied for and received. Wyoming is requesting the extension of the FY10 funding to September 30, 2014, in order to have this funding available for the entire duration of the three year grant cycle as well.

Funding was awarded to the following districts. Only the first two schools in the list below were awarded FY10 funds.

School District	Award Amount	Amounts by funding stream	Funding Stream
Big Horn #3	\$865,004	\$411,335	FY10
		\$453,669	Carryover from First Cohort
Fremont #38	\$1,252,640	\$744,302	FY10
		\$508,338	Carryover from First Cohort
Laramie #2	\$668,997	\$668,997	Carryover from First Cohort
Lincoln #1	\$399,000	\$399,000	Carryover from First Cohort
Teton #1	\$394,410	\$394,410	Carryover from First Cohort
