CLARIFICATION

IMPORTANT INFORMATION

Superintendent's Memo No. 2012-018 introduced the Statewide Assessment of Writing Skills Pilot. The memo included a list of students that would not be included in the pilot. One group of students listed were 504, or IEP students. The Wyoming Department of Education apologizes for any confusion and wants to clarify now.

504 and IEP students will receive pre-id test booklets for the Writing pilot. Only students that require Special Test Forms such as Braille, Large Print, or Audio will not be administered the test as these special test forms will not be available.

Thank you for your patience and support and please feel free to contact Jude Serrano at 307-777-8568 or jude.serrano@wyo.gov with any questions you have.
