### TIME SENSITIVE MATERIAL

The Wyoming Department of Education needs interested Wyoming Teachers, K-12, to assist with the Career/Vocational Education Content and Performance Standards Revision over the next twelve to eighteen months. Committee work will begin early this summer.

A Zoomerang survey is available for all teachers who have an interest in this Professional Development opportunity. Responding with an interest does not commit you to anything at this time, nor does it sign you up to serve. Standards committee members will be selected from the list of those interested.

The link below will take you to the survey which will be open from April 23<sup>rd</sup> to May 11<sup>th</sup>, 2012.
