MEMORANDUM No. 2013-114

TO: School District Superintendents
School Principals

FROM: Bruce Hayes, Ed.S.
School Safety Consultant
Support Systems and Resources Division

DATE: September 17, 2013

SUBJECT: School Safety Anonymous Tip Line (WeTip)

ANNONYMOUS TIP LINE TOOLS

Collectively, over 9,000 school safety anonymous tip line posters will be sent to school districts across the state this year. The intention is for a poster to be placed in every classroom in the state.

The shipments will be coming directly from WeTip around the end of September. Please ensure your principals get the WeTip posters and brochures and place them in their schools.

Important: If there are changes regarding *who* you want to receive tips, please complete the attached contact sheet and fax it to WeTip at 909-987-2477.

It is important to make sure that all administrators, staff, and students know of the **1-800-78-CRIME** or **1-855-86-BULLY** anonymous tip line. Encourage them to use this resource if they know of danger or criminal activity. Posters and brochures should be displayed in easy-to-see locations.

If you do not receive enough posters to put in every classroom, or you have any questions at all, please contact Bruce Hayes at 307-777-6198 or bruce.hayes@wyo.gov.

Thank you for your efforts to keep students safe this coming school year.
