MEMORANDUM NO. 2013-117

TO: School District Superintendents

FROM: Susan Williams, Supervisor
Finance and Data Division

DATE: September 20, 2013

SUBJECT: WDE Website Will Be Offline

INFORMATION TO SHARE

The Wyoming Department of Education's (WDE) back-up servers will be moving to a new physical location this weekend and, as a result, WDE websites will experience a service disruption.

The WDE website will go offline at 5 p.m. on Friday, September 20 and come back online the evening of September 22.

Among the WDE online services this migration will impact are: the WDE website, the Fusion portal, the Assessment Resource Tool and third party applications which can be accessed via the WDE website such as the 21st Century Community Learning Centers, State Grants Management System, Budget Management System, the State Report Manager, the Wyoming Transcript Center and others. These applications will not be available through the WDE website during the server migration.

Email to and from staff at the WDE will not be impacted.
