The WDE uses the Vocational Education Worksheets to review courses for additional funding under the education resource block grant model pursuant to W.S 21-9-101(b)(i)(J) and W.S 21-13-309(D)(III). Local course titles will be posted, along with the course title associated with specific SCED code submitted for each course. In order for courses to be approved for additional funding, they must meet the following criteria:
