MEMORANDUM NO. 2018-017

TO: School District Superintendents
Curriculum Directors
Principals
K-12 Science Teachers

FROM: Brent Bacon, Chief Academic Officer

DATE: February 20, 2018

SUBJECT: Wyoming Science Standards Workshops - New Dates Added

SCIENCE STANDARDS WORKSHOPS

The Wyoming Department of Education (WDE) invites K-12 science teachers to participate in a two-day professional development workshop on Implementing the Wyoming Science Standards. The workshop will be presented twice: in Evanston on March 21-22, and in Casper on June 14-15.

The workshop will provide an opportunity to:

- Understand the organizational structure of the 2016 Wyoming Science and Content Standards;
- Unpack to understand the 3-dimensional nature of the science standards;
- Engage in lessons that utilize 3-dimensional instruction (cross-cutting concepts, disciplinary core ideas, and science and engineering practices);
- Experience ways to bundle science standards;
- Collaborate with grade-band teachers to create a network of support.

Workshop registration is available online, and each workshop is limited by venue size. Registration confirmation will be sent to participants starting February 19, 2018.
