FROM: Megan Degenfelder, Chief Policy Officer

DATE: June 11, 2018

SUBJECT: Revised Title I, Part A and Title II, Part A Allocations

REVISED TITLE I, PART A AND TITLE II, PART A ALLOCATIONS

The revised allocations for SY 2017-18 for Title I, Part A and Title II, Part A are now available. These are intended to be final from the federal level; however, subsequent state-level revisions or federal adjustments to these final allocations could still occur throughout the grant cycle.

Overall, prior funding levels for Title I, Part A were restored in this revision; however the district-level allocations underwent revisions and review by the US Department of Education and several districts did experience notable changes in the allocation. Title II-A allocations were restored to the preliminary allocation.

GMS users will need to create an amendment distributing the funds in the appropriate grants.

For more information, contact Jon Lever, Title I Program Manager, at jon.lever@wyo.gov or 307-777-621, or Mark Bowers, Title II-A Program Manager, at mark.bowers@wyo.gov or 307-777-8739.
